

Duval County Special Education Co-Op

Mission Statement

The mission of the Duval County Special Education Co-Op is to provide leadership, guidance, and support to member districts so that they will maximize learning for students with disabilities.

Program Goals

- ***All students of the Duval County Special Education Co-Op will have access to the general education curriculum and be provided services in the least restrictive environment.***
- ***All students of the Duval County Special Education Co-Op will be provided with instruction in an age-appropriate setting and attend classes with their general education peers receiving support from special educators when needed.***
- ***The Duval County Special Education Co-Op will continue to provide services for preschool students with disabilities and have IEPs in place by their 3rd birthday.***
- ***The Duval County SPED staff will meet the required timelines for evaluation and ARD Committee Meetings.***
- ***The Duval County SPED Co-Op staff will provide parents the opportunity for meaningful participation in the eligibility determination and the development of the IEP.***
- ***All youth ages 16 and above will have an IEP that includes coordinated, measurable, annual IEP goals and transition services that will reasonably enable the student to meet the post-secondary goals.***
