March 20, 2009

Dear Parent or Guardian:

The Benavides Independent School District is sharing the enclosed information about the district and your child's campus with you as part of its obligations under the federal No Child Left Behind Act of 2001. The following information is now available on the district's web site at this link: <http://www.benavidesisd.net>

- Assessment results for the LEA and campuses in the aggregate and disaggregated by Race/ethnicity, gender, disability status, English proficiency, and economically disadvantaged showing two-year (2006-2007 and 2007-2008) trend data for each subject and grade tested.
  - By performance level
  - With a comparison between annual objectives and actual performance for each student group
  - Including the percentage of each group of students not tested
- Graduation rates for secondary school students
- Performance of school district and campuses on adequately yearly progress (AYP) measures
- Number and names of Title schools identified as in need of improvement, including the stage of improvement and AYP indicator missed for any schools identified for improvement (***BISD does not have any campuses identified for School Improvement***)
- Professional qualification of teachers in the LEA and campuses, including the percentage of teachers teaching with emergency or provisional credentials and the percentage of classes in the LEA and campuses that are not taught by highly qualified teachers, including a comparison between high and low-poverty campuses within the LEA. (***BISD has two stand alone campuses that do not require a comparison between high and low-poverty status***)

BISD is aware that all households in our district do not have access to the web. To ensure that each parent has access to this required information, the district is sending a hard copy of the NCLB report card home on Wednesday, March 25, 2009. If you have any questions about the information contained within the NCLB report card, please contact the Curriculum Office at (361) 256-3007.

Sincerely,  
Ernest Singleton,  
Director of Curriculum
