

GOALS AND PERFORMANCE OBJECTIVES

Mission (What We Do)

Benavides Independent School District will assure that every student develops their maximum capabilities and acquire a knowledge based on which to build life-long learning, thus, enabling them to become responsible contributors to society.

Vision (Where We Want to Be)

Each Benavides Independent School District's campus, faculty, parents, and community work together to build a trusting environment in which each student is challenged to meet his/her fullest potential. A safe and orderly environment enhanced by innovative programs provides the opportunity for every student to become the achiever that we believe he/she can be.

Values (What We Believe in)

- All students can learn
- All students deserve a quality education
- All students have worth and deserve respect
- All students deserve the opportunity to become responsible citizens
- All students success is enhanced when students, parents, school and community work together

Goals (What We Want to Accomplish)

Goal 1: As a Professional Learning Community, Benavides Independent School District will collaborate to ensure that EVERY Student will perform at or above the State Performance Standards.

Goal 2: As a Professional Learning Community, Benavides Independent School District will collaborate to ensure that EVERY Student will benefit from a financial accountability system that maximizes the effective management of district resources, aligns with instructional program goals, and complies with State Accountability Standards.

Goal 3: As a Professional Learning Community, Benavides Independent School District will collaborate to provide EVERY Student a safe and orderly environment.

Strategies (How We Will Achieve Our Goals)

Goal 1

Objective 1: Develop a shared Mission, Vision, Set of Values, and Goals that serve as a unifying force.

Objective 2: Provide support for students who do not initially learn to standards, by creating a system of prevention and interventions.

Objective 3: Promote a culture of collaboration focused on teaching and learning.

Objective 4: Employ productive use of data by instructional teams to enhance student achievement.

Objective 5: Create opportunities to productively engage families and the community in the school.

Objective 6: Implement the fundamental principles of College and Career Readiness Standards (CCRS).

Objective 7: Build capacity for sustainable leadership.

Goal 2

Objective 1: Provide financial information to all citizens, taxpayers, customers, investors, and creditors that demonstrate the District's accountability for the funds it receives.

Objective 2: Collaborate to accurately gather, analyze, and monitor financial data that will be used in audit findings reported to the local Board of Education and State Agencies.

Objective 3: Ensure that spending is purposeful, focused, and aligned with all instructional programs and initiatives

Goal 3

Objective 1: Establish a clearly defined discipline management system that helps students manage their own behaviors.

Objective 2: Establish a clearly defined safety/emergency plan that adheres to federal, state and local codes.

Objective 3: Create a positive culture of trust in which EVERY individual has value and worth.
